

# Checklist of birds of Limpopo National Park

Note: This list is adapted from Kruger National Park

**Status key:**

R = Resident; S = present in summer; W = present in winter; E = erratic visitor;  
V = Vagrant; ? - Uncertain status; n = nomadic; c = common; u = uncommon; r = rare; l = localised

NB. Because birds are highly mobile the status of some birds may fall in to several categories

Status of Bird

Check list
